### **Glenwood Springs City Hall to Revise Operating Hours During GAB Detour**

GLENWOOD SPRINGS, CO – In an effort to reduce the peak-hour vehicle impact of City employees during the 95-day Grand Avenue Bridge (GAB) closure, the City of Glenwood Springs is revising the operating hours for City Hall, located at 101 West 8<sup>th</sup> Street. Glenwood Springs City Hall will be open 7 a.m. to 7 p.m., Monday through Thursday, and will be closed on Fridays, starting August 14. Operating hours are expected to return to normal in January, 2018.

The City believes that extending office hours during the detour will provide additional flexibility for individuals needing to conduct business at City Hall. Offering three additional business hours Monday-Thursday may help people access City Hall outside of the peak traffic travel times. City staff would also like to take this opportunity to remind customers of a few of the many items that can be managed via the [cogs.us](http://cogs.us), [glenwoodrec.com](http://glenwoodrec.com), and [glenwoodpolice.com](http://glenwoodpolice.com) websites.

Operating hours for all other city facilities, including the Community Center, Fire Department, and Electric Department, will not change during the bridge detour.

The City of Glenwood Springs appreciates everyone's patience and cooperation during this trying time for our community.
