

## AGENDA

Special Meeting of June 19, 2020 11:30 AM

(Two or more members of the River Commission may attend the virtual meeting outlined below.)

### **Glenwood Springs River Commission invites you to join a “Learning Lunch.”**

Are you a riverfront property owner, a river recreationist, or simply a river enthusiast? Would you like to learn more about a little known aspect of healthy rivers and the link to local economies?

In an informal talk hosted by Mayor Jonathan Godes, Chad Rudow of Roaring Fork Conservancy and Laurie Rink of the Middle Colorado Watershed Council, will explore the importance of riparian zones and why these river-side areas matter to our local ecosystems and our local economies.

Friday, June 19th from 11:30am to 12:00pm
